POOLSIDE WITH CHRISTY

I could hear the sound of the birds calling. The beautiful song they sang would awaken anyone from their sleep. And it seems sultry Christy Charming has heard the same birds. As I lay there looking around the pool, I felt the urge to start rubbing myself between my legs. I awoke feeling the need for an orgasm, so I began to rub my fingers between my legs. I could feel the wetness build and I enjoyed pleasuring myself. In my mind I would visualize this woman to whom I really wanted to do things with but never had the guts to go through with. In my mind I was going down between her thighs, licking her pussy and tasting her lovely juices. I would stick my fingers into her wet pussy as I kissed her on her beautiful lips. Her tongue entering my mouth I felt a rush through my body. Oh it was such a lovely feeling kissing a woman.

– Wanda, North Carolina

MAIKO'S JUST MY TYPE

Several months ago my wife of five years left me for a woman. I was shocked at the time, but as I looked back I think I saw instances I should have picked up on. I'm a thirty-two year old Asian man who now misses a woman's company and touch. It's very hard for me to meet woman so I've started buying mens magazines and came across Club Asian. When I saw Maiko, I instantly related to her. She is the type of woman I like, thin, long black hair and very Japanese looking. Recently my life has taken a drastic turn towards making me happy. I found something within myself that I never thought could exist and I have been relishing it. Every smile that crosses my lips is because of this revelation. Every glint in my eyes, every blush is because I was able to come to terms with myself and what it means to be me. I'm really not an overly complicated person, but I've been unhappy for so long. I had forgotten what it felt like to truly and genuinely smile at someone, even if she's in a magazine.

– Tyler, Oakland

hunter, mandy, karmella

I was sitting in a bar with my best friend Mandy one night and she said I have a bet for you. I said ok what's the bet? She said "See that really good looking Asian girl at the other end of the bar?" "Yeah." I said. Then she said that I couldn't walk up to her and give her a kiss, with tongues. So I went and did it, and now it's a threesome.

Forget the supermarket, girls. If you really want to hook a guy on the first try, a short skirt, a disarming smile, and a broken down car will always work. And you don't need any money to get it fixed. So Eric didn't stand a chance when I flagged him down. And that wasn't the only thing that went down. Know what I mean?

CHEERY CHERRY

My college education included “Fucking 101.”

I just had sex for the first time. Finally! I was always so embarrassed when my friends would tell me about their experiences and all I could do was smile and nod. But when I started college, I met Jayson, and everything totally came together!

He took me to his family’s cabin at the lake. It was so perfect. He had thought of everything. Then he kissed me, just like always. But when he started touching me, it was so much more intense than ever before.

He pushed his hand under my blouse and started playing with my breasts, tweaking my nipples through my bra. Then he pushed my skirt up and slipped his fingers under the crotch of my panties, teasing my clit. Nobody had ever touched me that way, made me feel so good. He wanted me so bad that I didn’t want to

say no, didn’t want him to stop. He put his hand on the back of my head and pushed my face into his groin.

His tongue darted into my mouth, dancing around mine. He unbuttoned my blouse, then unhooked my bra as if he’d done it hundreds of times before. His warm, wet mouth traced a path down my neck to the swell of my breasts. My heart was pounding when he started kissing and sucking on my nipples, his teeth just scraping against the tender flesh. I was getting so hot and wet that my panties were soaked straight through,

and there was a powerful throbbing between my thighs. I was as hungry for this as he was.

Then he took my hand and guided it to his cock. I had only touched him a couple of times before, and always from outside his jeans. But he had already unbuttoned his fly and pulled his cock from his underwear. He jabbed it into my hand, then wrapped my fingers around the pulsating stem. I loved the feel of his cock, the way I could feel

I’m so glad to see that you love Asa as much as I love Asa. She is one ravishing lady and I just can’t seem to get enough of her. And that shooting that you printed was, like, totally outrageous! – Bryan, Columbus

how much he wanted me. I wasn’t sure how to make him feel good, but he knew exactly what he wanted. He put his hand on the back of my head and pushed my face into his groin. “Kiss it, please,” he whispered.

I hesitated, then let my lips brush against the wet, sticky tip. It was hot and salty, but I knew I wanted to suck it—to feel it sliding over my tongue. I had read enough and heard enough about giving head that I knew I was going to

my slippery tunnel. "You're so hot," he groaned as he forced his way into my body.

"Harder. Faster,"

I moaned, bucking my hips upward to meet each of his powerful thrusts. But he continued to fuck me slowly, deliberately teasing me. I groaned and thrashed beneath him, desperate to get off. I tried to change the pace, but he was in control, and he would decide when I would be allowed relief. I was frustrated as he nibbled on my nipples and his cock tickled my insides.

Then his slow strokes became short, quick jabs. I struggled to keep up, trying to meet each thrust. I was so close that I didn't want to be left behind. He was intense, plunging deeper and deeper into me with each stroke. He was getting close, nearing his own climax, seeming almost unaware of my presence.

Then his muscles tensed, and I felt his cock jerk and twitch inside me. It was the most incredible feeling as his hot cream blasted deep into my body. But I hadn't come yet. He dropped down on top of me and nuzzled my neck. I wished he would keep riding me, jabbing his cock in and out of me until I came. When he didn't, I started humping

"Oh, yeah, suck it," he groaned.

I swirled my tongue over and around his cock as he pushed it deeper into my throat. I gagged and gasped for air until he pulled back. I only had a second to catch my breath before he jabbed it back into my throat. His cock rammed in and out of my mouth while his crinkled balls slapped against my chin.

I was waiting for him to come, eager to feel his hot cream blasting against my tonsils. Instead he pulled

slipped his thumbs under the thin waistband of my panties. In an instant he had pulled them down, exposing my blonde bush to his hungry eyes. He spread my legs and slipped his fingers into my slit, sending chills up and down my spine.

"Such a pretty little pussy," he whispered. "And so empty and lonely. But I'm going to fix that," he promised. Then he crawled between my thighs and aimed his cock for my wet pussy. Without hesitating, the hard, hot flesh pushed its way into

He squeezed my breasts, and then his fingers rolled and pinched my nipples, sending jolts of excitement directly to my throbbing clit. I could barely breathe as he teased me closer and closer to climax.

When he was buried balls-deep in my pussy, he remained perfectly still for a moment. Then he pulled back and rammed his cock back into me, grinding his groin against my throbbing clit. His long, deep strokes were making me crazy. I was horny, crazy, ready to come.

Men, they can be such

Two years later I married him and the sex we have is so hot, I don't think another man could ever please me this way.

I MAKE THE PASSES

In today's sensory overloaded world, there are many stimulations. But for me... it's glasses. Eye-glasses. I think women with glasses are sexy as

nondescript girl with an attractive pair of glasses than the most gorgeous, voluptuous, seductive female with 20/20 vision. Or even worse contacts.

Glasses, like girls come in all shapes, sizes and colors. Plain or fancy, round or square, wire-rimmed, horn-rimmed or with no rims at all, they are endlessly fascinating. And arousing. A well-crafted pair of glasses will give

that most women resist the idea. They say they are afraid their glasses will damages or broken in the throes of passion.

They are afraid that a man will be turned off by the sight of their bespectacled face while engaged in sexual congress. In my case, just the opposite is true. Far too often I've found myself aroused and stimulated while making out with a woman, feeling the gentle touch of her glasses against my face as I kiss her sweet mouth, slowly stripping her of all her clothing until her spectacles are her only adornment; and then as we lie down together to culminate our passion, the lady will remove her glasses and set them aside.

Instantly I feel my passion dying, my hard-on diminishing, my lust turning to disappointment. No matter much her naked body turns me on, the sight of her naked face turns me off again.

It is at that point that I plead with her to put her lovely spectacles back on; but nine times out of ten this request is met with puzzlement, resentment or even downright hostility, and the mood is fatally broken for both of us. So girls keep your glasses on. Please!

— Phillip, Nevada

my wetness covered us both. His hard sweaty abs contracted as he pumped me, on and on and on, and then when we managed to finally come at the same time as each other, I screamed out and dug my nails into his chest. His eyes rolled back into his head as his cock released his load into me.

hell. Some guys go for big boobs and some go for big round asses. Some go for a well shaped leg, while some are hooked on long hair or a sexy voice. Some guys are foot fetishists and some are even attracted by a good personality.

Me, I'm a glasses guy. I'd rather fuck a plain, skinny,

me a hard-on any time. And they invariably make their wearer an object of instant lust.

Unfortunately, one problem I frequently encounter is the difficulty of getting a woman to wear her eyeglasses in bed. No matter how much I beg, plead and cajole, I find

Since I've been living in America, I've learned to like American football. And especially the players. They are all so meaty and buffed and wear those sexy uniforms. After the game when they are being interviewed in the locker room, I like getting glimpses of their bodies. While Derrick isn't as buffed as them, he sure has a great cock, and knows how to play the love game.

I had always wanted to be a nude model. My body is made for it, but my mind has to be in it too. I started with some selfies in my bathroom, then I asked my bff to take some lingerie shots of me, and I liked what I saw, Then I asked her to take some more photos, but totally naked this time.

THIS MAY BE WRONG BUT I'M DOING IT ANYWAY

A lawyer and an intern on a fact-finding expedition find each other

I think you'll find most everything there, Jayde." "Thank you, Roy. If Elise and I need anything else, we'll let you know." She handed him a cool smile.

Not easily discouraged, he leered back. "Okay, good." He hesitated at the boardroom door. "I'm just down the hall—third door on the right." He pointed. "My door's always open for you two ladies."

Jayde picked up a file and glanced through it. "We know where your office is. Thanks again."

Roy slowly took the hint. Adjusting his wire-rim glasses, he patted his comb-over and then slid out the door.

"Oh, Roy?"

He quickly filled the door again. "Yes, Jayde?"

"Could you close the door, please?"

He frowned and shut the door.

I couldn't help laughing. "I think he likes you," I said.

Jayde looked at me and smiled. "Roy tries to 'like' all the girls from our firm. Why don't you pull up a chair, and we can start going through these files. We don't want to keep Roy here all night—he has a family waiting at home, after all."

I pushed my stuff over on the table, closer to Jayde, and sat down next to her. The small, dimly lit boardroom was suddenly eerily quiet. The gleaming surface of the oak table was lit-

tered with files, ledgers, receipts, and invoices. Jayde picked up a thick file titled "Shanahan Trucking" and handed it to me.

"Remember," she said, "we're looking for anything that would indicate that there was more than the usual business relationship between our client and the Shanahan group of companies. Especially as it relates to the purchase of Ackland Chemical." She looked at me. "Got it?"

"Got it," I replied.

Jayde is a senior partner in the firm, so I was honored to be working so closely with her. Most of the partners don't even know the names of their interns. Jayde was the one who had hired me, just three months ago.

We pored over the documentation. Jayde jotted down notes in a tidy script on a yellow legal pad. I flipped through files, giving her everything that might be important, made photocopies, and carried ledgers back and forth from Roy's office and the accounting department.

"How much longer do you think you'll be?" Roy asked as I handed him a binder. He was clearly nervous; he knew his neck could be on the line if we found any linkage between his company and Shanahan.

"I'd say about another hour."

Roy glanced at the big, macho watch on his bony left wrist. His skin was pale with an accountant's tan and covered with dark hair. "Eight o'clock, eh? Okay, I'll phone 'she who cooks the dinner' and let her know."

His fingers touched mine when I handed him an accordion file full of receipts. He grinned.

"See you later," I said.

He frowned.

I went back to the boardroom and plopped down in the chair next to Jayde. "I think Roy is after me now."

Jayde glanced up and laughed. Then she stared at me for a moment. "Well, you are a very pretty girl," she said. She patted my shoulder. Her hand was warm. "Wow. I'm starting to get tired," she

said, and stretched. "How about you?"

I smiled shyly and looked down at some papers. "You really think I'm pretty?" I asked quietly. Jayde is a bit of a hero of mine, and I value her opinion – professional or otherwise.

She leaned closer, reached over, and gently lifted my chin. She looked into my eyes. I started to turn red as her soft fingers caressed my face. "I sure do," she whispered. She kissed me lightly on the lips.

My face went beet red, and I started to tremble. I could feel her warm breath on my face. I couldn't believe she had just kissed me.

She kissed me again. I felt dizzy, and the room grew hot. Her perfume was smothering me, inviting and intoxicating. She got up, rolled a chair over to the boardroom door, and jammed it under the doorknob. Slowly she walked back to me, her eyes on mine. I watched breathlessly as she took off her jacket and draped it over the back of her chair.

Grasping my right hand, she brought me to my feet, face to face with her. My legs felt weak. I didn't know what was going to happen next—things were happening so fast. Standing close to me, she kissed me again, her soft lips pressed against mine, and I moaned.

I felt one of her hands gently cup my left breast, squeezing it slightly. I gasped. Awkwardly I flung my arms around her and pulled her body hard against mine. Opening my mouth, I felt her tongue enter. It was like an electric jolt through my body. I tingled all over. I could feel her large breasts pressing against mine, our nipples touching through the thin fabric of our clothing.

About 40 years old, Jayde has a slim, toned body. Her breasts, however, are large and heavy. She has black hair cut fairly short and a delicate, sensitive face.

We stood there, in the middle of the client's boardroom, locked in a passionate embrace, fiercely kissing each other. Our tongues danced

blouse out of my skirt, and then pushed the garment open. The cool air felt good against my overheated body, and my nipples grew hard. She ran her hands through my long hair as she stood there admiring me.

Her fingers drifted over my face, my lips, my neck, my shoulders, my breasts. I sighed and closed my eyes again. It was a dream I didn't want to awaken from.

I felt Jayde unhook my bra. "Very nice," she murmured. She pushed the bra and the blouse over my shoulders, and they slid down my back and dropped onto the carpet.

I stood there in my skirt and my high heels, my upper body bare, my breasts begging for her silky touch. Squeezing my breasts together, I rolled the long, hard nipples between my fingers. "Suck my tits." I moaned

Jayde finally bent forward, gently removed my hands, and began teasing my nipples with her

against each other. Jayde pulled her head back. "Stick out your tongue, Elise," she whispered.

I obeyed. Her wet, red lips closed over my tongue, and she began sucking on it. I groaned. My body felt thick with heat. Jayde's hands explored my breasts as she sucked up and down on my pink tongue like it was a stiffened cock.

Suddenly she stepped back, and I stood there with my eyes closed and my tongue hanging out. She laughed. I opened my eyes and saw that she was unbuttoning my top. I was wearing a simple white blouse and a black skirt. She slowly unfastened all the buttons, pulled the hem of the

tongue, flicking her tongue lightly against each nipple, making them stiffer still.

"Oh god, yes!" I cried.

She grabbed my breasts and squeezed them. My body quivered. She began sucking on my breasts, first one, then the other. She bathed my breasts with her hot tongue and bit lightly on my

rock-hard nipples. She sucked a breast deep into her mouth, virtually swallowing the whole thing; then her tongue brushed back and forth across the nipple. She released my breast from her mouth—it was soaked with her saliva. She sucked hard on my other breast, tugging on the nipple with her teeth. She flattened out her tongue and licked all over my breasts, between my breasts, paying special attention to my aching nipples. I looked down at Jayde, working over my engorged nipples with her mouth and tongue, and I shuddered in amazement. Jayde was my boss, for goodness sake, and a partner in one of the largest and most prestigious law firms in the city. But not now. Right now she was my lover—and my pussy was soaking wet.

I unclasped my skirt with shaking fingers and let it drop. Jayde squeezed my breasts and smiled up at me. “Ready for more?” she asked.

Before I could answer, she pushed me back onto the table. She quickly cleared the papers away, until all I could feel was the cool tabletop against my inflamed body. She leaned over, above me, and we kissed ferociously. Our mouths mashed against each other. We were no longer tentative. Jayde grabbed my head to hold it still. She painted my lips with her long tongue. My tongue darted out to lick hers. I stretched my arms back over my head, arching my back, surrendering my body to her. She could do what she wanted. I was too weak to resist.

She slowly kissed and licked her way down my naked body, stopping to suck again on my swollen nipples. I bit my lip and moaned. I felt her wet tongue in my navel, and I gasped. I realized that I was very close to coming. She put my legs together and pulled off my soppy panties. Her hands roamed over and between my legs. Her pink tongue flicked across my skin, raising goosebumps wherever it went. “Yes,” I whispered, struggling to keep from exploding. “God, yes.”

“I’m coming!” I screamed.

I desperately grabbed her by the hair and shoved her face deeper into my hot pussy.

She grabbed my butt and lifted me off the table, her tongue plowing harder and deeper inside me. Her tongue flicked over my clit, and I cried, “Yes!”

My body stiffened as the sexual tension reached a boiling point.

“Come for me, Elisel!” Jayde yelled, sucking on my clit.

I frantically squeezed my breasts together. They were slick with sweat. I madly rolled my nipples between my fingers. Jayde’s tongue plunged in and out of my pussy like a cock. My body spasmed uncontrollably. Orgasm after orgasm coursed through me. “Yes!” I screamed.

After what seemed like an eternity, I groaned and opened my eyes. I was spent. I had never come so intensely in my entire life. I smiled weakly at Jayde. She gave my pussy one last long lick

“Yes,” Jayde responded as she spread my legs and bent down between them. She rested my legs on her shoulders and blew softly on my soaking-wet pussy. It only fanned my raging fire. When her moist tongue touched my pussy, I screamed. I didn’t care if there were a hundred people in the building and they were all watching me. All I knew was that Jayde’s tongue was pushing deep into my pussy, and I was feeling things I had never felt before. I was out of control. I was ready to come.

“God, you taste great,” Jayde murmured. Her voice vibrated throughout my whole body.

and then stood up. Her face was wet with my juices. Unbuttoning her top and unhooking her bra, she tossed them aside. I stared at her huge breasts. Her nipples were long and thick.

“My turn,” she said, a wicked smile dancing across her full pouty lips.

I never thought that when I went to college that I'd be fucking anyone. I was there to study and get my degree. I tried not to show any interest in boys. Then I met Alex and we really hit it off. First we started studying together; then we started making out; and finally I let him fuck me. It was a short time later that I wanted him to fuck my tight collegiate ass!
